

AKRON PUBLIC SCHOOLS
Department of Interscholastic Athletics
Student Participation Survey Form

The Office of Interscholastic Athletics has the responsibility to compile data concerning the participation of Akron Public School's students in the athletic program.

This information is to reflect the number of participants in various phases of the sports season. The first official day of practice, the Monday of the second week of practice, at the time the eligibility sheets are submitted and at the conclusion of the regular season prior to city and state championship contests.

Coaches are to complete this form accurately, and return within two weeks after the conclusion of the regular season to the Office of Interscholastic Athletics.
